CENTRAL FAX CENTER****AUG 07 2006****PETITION FOR REVIVAL OF AN APPLICATION FOR
PATENT ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. It is submitted, therefore, that on the basis described above the abandonment should be held to be inadvertent and the case revived. Facts supporting a finding of unintentional abandonment are as follows:

1. Applicant's representative filed a timely response to the Notice of Missing Parts on February 8, 2006. The response filed on February 8, 2006 is shown as exhibit A.
2. On May 15, 2006, Applicants received a Notification of Defective Response from the U.S. Patent Office stating that the oath or declaration did not comply with 37 CFR 1.497 in that inventor #7, Johann Waldvogel, was not listed in the International Application.

Application No.: 10/531,201

Docket No.: 60680-2030

3. Mr. Waldvogel was not added to the International Application until the PCT procedure was nearly complete. Therefore, Applicant could not provide the PCT/IB/306 showing the addition of Mr. Waldvogel.
4. Applicant took immediate steps to add Mr. Waldvogel in the U.S. national phase by preparing the appropriate documentation adding Mr. Waldvogel as an inventor. However, there was a delay in receiving the necessary documents from Mr. Waldvogel as he was out of town and therefore was unreachable to the Applicant. Upon his return, Mr. Waldvogel promptly executed the necessary documents. Unfortunately, by the time they reached Applicant's representative, the time period for replying to the Notification of Defective Response as well as the Notice of Missing Parts had lapsed.
5. As you can see from the above, the entire delay has clearly been unintentional. Moreover, Applicant has not delayed in filing a petition to revive once the appropriate documents were received from Mr. Waldvogel. No Notice of Abandonment has been issued to date. Accompanying this petition is the necessary paperwork from Mr. Waldvogel to appropriately add him as an inventor to include:
 - a. Statement under 37 C.F.R. Section 3.73(b) Establishing Right of Assignee to take Action
 - b. Declaration of Non-Deceptive Intent by Johann Waldvogel
 - c. Statement Agreeing to Change Inventorship in Patent Application By Correctly named Inventors

~~Application No. 10/531,201~~~~Docket No. 60680-2030~~

Applicant respectfully requests that the holding of abandonment be withdrawn.

Please charge our Deposit Account No. 18-0013 in the amount of \$1500 for covering the fee set forth in 37 CFR 1.17(m). The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 18-0013, under Order No. 60680-2030. A duplicate copy of this paper is enclosed.
